

Customer Feedback

Dear Customer / Operator,

Should you experience any problems with the manufacture, installation or operation of any design change approved by NTech Ltd, would you please complete and return this form to us with your comments so that we can identify and correct any problems.

Any occurrence or defect from any item or component installed by the design: complete this form and return to us as soon as practicable, so we can follow up with you and notify and submit details to CAA and investigate within the required time frames.

For any urgent matters that require an immediate response please contact (027) 327 7110.
